

# What's Our IQ (Impact Quotient)?

*Interpreters with Deaf Parents (IDP) and Deaf Members in Leadership (DML)*  
invite you to participate in a  
**Community Forum.**

What impact does the interpreting field have on the Deaf community?

We've changed, the Deaf community has changed, the interpreting profession has changed and our relationship has changed.  
It's time to come together and look at the big picture.  
Where do we go from here?

We present this dialogue as a first step in engaging EVERYONE in the questions that need to be asked.

This forum will include presentations, panel discussions and facilitated group sessions.

The panelists include (subject to change):

*Dennis Cokely, Betty Colonos, Eileen Forestal, Ella Lentz, Rico Peterson & Gary Sanderson*

Moderators: Lynnette Taylor & Lillian Garcia
